Second Grade
Fourth Grade
Sixth Grade
jfmejia@fcps.edu

MRS. BUSH:

Ms. Maginess's and Mr.
DePalma's Kindergarten
First Grade
Third Grade
Fifth Grade
lbush@fcps.edu

Welcome to a new school year!

Mrs. Mejia and Mrs. Bush will be visiting classrooms to introduce themselves and explain the counselor role. We will also be offering social time and lunch bunches, especially for students new to White Oaks. Once per month, counselors will visit each virtual classroom to teach a lesson on a variety of topics. For the first quarter, the lessons will have a social-emotional learning focus (feelings, coping skills, etc.).

If a student wishes to speak with his or her counselor, we are providing a virtual HELP SLIP, which will be shared with teachers, on our google site and shared with students.

Parents may also wish to contact the school counselors for support and resources to help their child succeed in school.

All of our contact information, resources for students and families can be found at our google site at :
